OPERATION ROUND-UP®

Operation Round-Up® is a community outreach program that Amicalola EMC is participating in. This program is designed to provide financial assistance to worthwhile activities and community projects. Our customers have historically worked together to help their fellow neighbors.

How does it work? Each month, Amicalola EMC will “round-up” the electric bills of participating customers to the next highest dollar. For example, if your electric bill is \$62.78, we would round it up to \$63.00. The additional 22 cents would go to the **Operation Round-Up®** fund. The funds will then be available for any worthwhile community project or charitable cause.

By signing this form you will have agreed to become a partner with Amicalola EMC in **Operation Round-Up®**.
